Sir:

It has recently come to our attention that a NOTICE OF ABANDONMENT was issued on January 21, 2004, indicating that the above-identified application is abandoned for failure to timely pay the required issue fee and publication. See the attached copy of the NOTICE OF ABANDONMENT.

I hereby state that I or any other person working at J.C. Patents has never received a Notice of Allowance regarding the above-identified application.

We noticed that the NOTICE OF ABANDONMENT was sent to the previous firm LADAS AND PARRY at 5670 WILSHIRE BOULEVARD STE 1200, LOS ANGELES, CA 90036-5679. Since we took over the present application, we have filed a Power of Attorney and a Request for Changing Address twice on February 15, 2002 and May 7, 2002 via facsimile. Our fax machine generated Transmission Report shows that the transmission was successful. Enclosed is a copy of the papers as filed on February 15, 2002 and May 7, 2002 as well as the Transmission Report generated by our fax machine, which proves that the above mentioned documents were filed on the indicated dates and received by the patent office.

As shown, a Notice of Allowance was not sent to us due to the fault of the patent office. Thus, Applicant requests the holding of abandonment be withdrawn and the Notice of Allowance be remailed. MPEP 711.03(c).
